Panel Discussion At Norfolk State

This year's reunion will include a panel discussion followed by a "Meet-and-Greet" at Norfolk State University where Triple Nickle members can share their 555th stories with the NSU ROTC students and staff.

The panel will be small (probably six members), so once it's filled the remaining 555th participants will be individually introduced at the "Meet-and-Greet", where they will be able (and encouraged!) to talk to the students and staff in small groups.

Let us know if you would like to participate, and send a short bio for your introduction.

Reunion Registration

\$225.00
